

# SANDER GEOPHYSICS

<b>Position Title:</b>	<b>Aircraft Maintenance Engineer, type S</b>
<b>Department:</b>	Aircraft Maintenance
<b>Reports to:</b>	Director of Maintenance
<b>Supervisory Responsibilities:</b>	None
<b>Location:</b>	Ottawa office and SGL field bases worldwide

SGL is hiring a licenced Structures AME to be based at the company's headquarters in Ottawa. Base schedule is Monday to Friday but must be available to travel for field work around the world.

## Responsibilities

- Maintain the company aircraft as directed within the scope of licence, capabilities, and authority granted in accordance with the MPM and CARs;
- Perform sheet metal, composite or other structural work on various aircraft and components as required;
- Record all work done on appropriate forms and provide an ACA release as required;
- Supervise, mentor and train apprentices as required;
- Confer with the maintenance manager(s) to identify aircraft, shop and field issues and discuss maintenance requirements and solutions;
- Understand, comply and promote all company policies and procedures including the reporting of hazards and incidents encountered during daily operations;
- Maintain a positive attitude toward personal and professional growth;
- Assist in the activities carried out by the maintenance group;
- Maintain a safe and clean work environment; and
- Willing to travel to domestic and international locations to perform repairs in the field.

## Qualifications and Experience

- Valid Transport Canada Aircraft Maintenance Engineer licence type "S";
- Experience on C208 or DHC-6 aircraft a definite asset;
- Valid passport and driver's licence;
- Ability to obtain a Transport Canada restricted area pass;
- Excellent organization skills, ability to multitask and meet deadlines; and
- Available to work after-hours occasionally as required.

## Benefits

SGL is committed to promoting employee wellness and successful work-life balance. Employee benefits include (but are not limited to):

- Comprehensive benefits coverage including health, dental, vision, and paramedical;
- Life insurance;
- Employee and family assistance program;
- Paid vacation, personal leave, and medical leave;
- On-site gym; and
- On-site parking.
